

Statement of Directors' Responsibility for Preparing the Financial Statements

The Directors are required by the Companies Act, 1965 to prepare financial statements for each financial year which have been made out in accordance with the applicable approved accounting standards and give a true and fair view of the state of affairs of the Group and Company at the end of the financial year and of the results and cash flows of the Group and Company for the financial year.

In preparing the financial statements, the Directors have:

- selected suitable accounting policies and applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- ensured that all applicable accounting standards have been followed; and
- prepared financial statements on the going concern basis as the Directors have a reasonable expectation, having made enquiries, that the Group and Company have adequate resources to continue operations for the foreseeable future.

The Directors acknowledge the responsibility for ensuring that the Company keeps accounting records which disclose with reasonable accuracy the financial position of the Group and Company and which enable them to ensure that the financial statements comply with the Companies Act, 1965.

The Directors have overall responsibilities for taking such steps as are reasonably open to them to safeguard the assets of the Group, to prevent and detect fraud and other irregularities.
